UNSTARRED QUESTION NO:4277
ANSWERED ON:16.04.2001
ANTI EROSION PROJECTS IN COASTAL STATES
UMMAREDDY VENKATESWARLU

Will the Minister of WATER RESOURCES be pleased to state:

to the reply given to Unstarred Question No.4860 dated December 20, 2000 and state:

(a) the details of anti-erosion projects of the Coastal States cleared by the Government so far;

(b) the details of anti-erosion works undertaken by the Government during the last two years in the States;

(c) the names of on going projects which could not be completed during 2000-2001; and

(d) the steps proposed to be taken by the Government to complete those projects expeditiously?

Answer

THE MINISTER OF WATER RESOURCES (SHRI ARJUN CHARAN SETHI)

(a) The details of anti-erosion projects cleared are as under:-

(i) Reconstruction of 7 numbers outfall sluices across flood banks of the branches of the river Godavari in Central Delta of East Godavari District, Andhra Pradesh an an estimated cost of Rs. 7.3125 crore.

(ii) Construction of rubble mound sea-wall in North Chennai to protect Chinna Kuppam Village (reach I LS15/475 km. to 15/775 km.) Periakuppam Village (reach I LS16/000 km. to 16/150 km. and reach II LS 16/150 km to 16/300 km.), IndiraGandhi Kuppam (reach LS 14/740 to 14/960 km) and Annai Sivakamy Nagar Kuppam(LS 13/950 to 14/025 & 14/205 − 14/280 km.) at the estimated cost of Rs. 2.85 crore. The Planning Commission has approved an additional central assistance of Rs. One crore for this Scheme during the financial year 2000-01.

(b) to (d) Flood Control including anti-sea erosion is a Statesubject. The responsibility of planning, funding and execution of Flood Control including anti-sea erosion projects primarily lies with the concerned State Governments.
